

Oak class Autumn term 2022 07.10.22

We have had a busy few weeks in Oak class! Thank you to everyone who was able to attend our assembly and see and hear what the children have been learning since the beginning of term. We hope you enjoyed it, especially our French song!

We have been learning all about the human body in science. We have learnt about the circulation system, the components of blood (through making some delicious 'blood' smoothies) and have learnt about the human heart where we created clay sculptures!

In history, we have been learning about crimes and punishments in the past and how we know about them and how this has shaped our judicial system today. We have also learnt about the legend of Robin Hood and Year 6 are currently reading, 'Outlaw' by Michael Morpurgo, which is a modern retelling of the legend, in group reading.

We are continuing our reading of 'Holes' in English and have worked very hard in learning how to incorporate description into narrative. I have been very impressed with their writing skills! Well done Oak class 😊
